No order accepted for less than 50 of any one item.

Orders are accepted and all shipments made subject to delays or inability to ship or deliver by reason or on account of strikes, accidents, droughts, fire, floods, frost, hail, sleet, war conditions and orders, railroad or express embargoes, priority or other transportation orders, prior sale of stock, car shortage, or any other cause or causes for delay in shipment or delivery of goods which are beyond our control.

Due to general conditions of weather, possible labor shortage and other contingencies, during the digging and shipping season, we do not guarantee to fill all items of an order or orders placed with us in one or first shipment.

In making all shipments we carefully consider conditions in general and act accordingly.

All shipments at purchaser's risk.

In absence of specific shipping instructions, we are to route all shipments according to our best judgment without assuming responsibility.

b. All accounts after dates due are subject to sight draft and interest charges at rate of 6% per annum, without further notice.

c. Payments for partial shipments shall be due on basis of dates of invoices covering them.

d. Cash or satisfactory references with order, if purchaser has no credit established with us.

Certificate of inspection will be furnished with each shipment.

Address all communications, orders and remittances to

NAPERVILLE NURSERIES, Naperville, DuPage County, Illinois.

*Inasmuch as lining out stock must be dug in late fall and some varieties do not always grade out for quantity according to our estimates, we must reserve the right in some instances to substitute the next nearest size of some items if unable to furnish the size ordered.*

VARIETIES MARKED WITH A STAR ★ AT THE LEFT WILL NOT BE SOLD SEPARATELY. THESE WE AIM TO DISTRIBUTE AND WILL ACKNOWLEDGE IN SUCH QUANTITIES (UNTIL STOCK IS DEPLETED) CONSISTENT WITH THE GENERAL ASSORTMENT OF VARIETIES AND TOTAL QUANTITIES ORDERED.

Sizes in some quick growing varieties will run extra strong for height, due to the unusual growing weather we have had during the past few weeks since taking the inventory.

We never cut back tops of lining out stock unless so instructed on orders.
